Pork Loins Center Cut Exp

This product is made from Selected Butcher Pork Loins. These pork loins are boned out by our highly skilled butchers. All bones, cartilage and the tenderloin are removed and the loin end is removed at the pinbone with a straight cut even with the pork loin. 1/4" fat cover, no scores allowed. 1/2" strap must be fully attached. No tag ends allowed. False lean on. Loose Blade meat and tag ends are removed, then this product is poly wrapped and placed into a poly bag 7-8 pieces per box.

Loading

The product is floor loaded on a container, unless the load is requested to be palletized on the container.
